

## Procurement Policy

The Director and Academy Administrator, in conjunction with additional staff leads, discusses and reviews all suggested/required goods and service requests essential for operation for LM Premier Football Academy.

Once a consensus/decision is reached, either the Director or Academy Administrator obtains all football -related goods and services for LM Premier Football Academy through a competitive procurement process.

The importance of competitive procurement process is:

- Fairness
- Impartiality
- Efficiency
- Transparency
- Best possible value for Academy monies
- Responsibility to all stakeholders: parents, players and staff

Additionally, the Director and Academy Administrator are responsible for the effective management and monitoring of various contracts throughout their life cycle.
